Hi, I'm Christine.

I design and facilitate transformative journeys.

I've experienced the power of transformation and I know it doesn't happen alone. Coaches, community, thought leaders, and more -- all underpinned by an incredible psychologically safe space to explore.

My genius is in creating spaces where transformation flourishes.

Frequently Asked Questions

ARE THERE REFUNDS?

Refunds (minus Eventbrite fees) are available up through January 4th and then no refunds after that time.

WILL THE LIVE SESSIONS BE RECORDED?

The sessions will not be recorded to create a safe space for participants to speak freely. But a short recap video created by Christine will be available for those that aren't able to join live.

WHAT IS THE TIME COMMITMENT?

Because this program includes self-reflection and exercises, the time commitment varies. On average it will range between 1-2 hours a week. If you play full out, you can expect to spend around 50-60 hours over the course of 4 months.

WHAT IF I CAN'T JOIN ALL THE LIVE SESSIONS, CAN I STILL SIGN UP?

We ask that you do your best to attend 6 of the 7 live sessions. If you believe your schedule won't allow you to do that, we recommend this isn't the right time for you to join.

WHY IS CAMERA REQUIRED FOR THE CALLS?

The live workshops are very interactive and you'll be in breakouts with fellow participants. We believe connection thrives when we can see each other and ask that you do your best to be in a place where you can be seen and can express yourself fully.

WHAT HAPPENS IF I DON'T DO MY PREP WORK?

You're going to get as much out of this program as you're willing to put in. We know life happens and simply ask you take 100% responsibility for how you show up and the impact it has for you and those around you.

HOW CAN I GET MY COMPANY TO REIMBURSE ME?

Many companies have funds set aside to invest in their employee's development. What you will learn in this program will have direct benefits to your performance at work and your relationships with your colleagues and customers. Leverage this brochure or the 1-pager to get reimbursed.

CAN I JOIN WITH MY COLLEAGUES?

Absolutely. As long as you feel comfortable fully and freely expressing yourself with your colleagues in the room, it's a wonderful place to build trust and improve relationships.

WILL I GET A CERTIFICATION?

This isn't an accredited program, but you will be recorded as having completed the DiscoverMe Foundations course, which for future DiscoverMe courses will be a pre-requisite for attendance.
